KAMEHAMEHA CLUB WINS
THE LEAGUE LEADERSHIP

Gains Unexpected Victory, Defeating H. A. C. in
the Last Inning--Elks Win From the
Mailles in Good Game.

Everything went by contraries at the baseball game yesterday afternoon. Although the Elks beat the Mailles 7 to 2, the latter team put up a good fight especially in the first part of the game. Their men played well together and there was only one weak place in the team and that was at third base. In the second game the H. A. C. team apparently had a little bit of a walk over and the Kamehameha team played all but the last inning far from their usual standard. In fact the crowd grew tired of watching the game which, taking out the last inning, was not as good as the first game, and many went home before the end. Those that did missed the best playing of the day, and those that stayed saw Kamehameha take a brace, pull out from what looked like certain defeat and snatch a victory from the already exulting H. A. C. team.

In regard to the grand stand and field there has been some loud comment. The benches yesterday were covered with dust which is rather injurious to ladies' dresses, and it was noticed that numbers of people brought lap robes and other articles to spread over the seats. Another thing is the large amount of dust which blows from the out field and nearly blinds the spectators. Of course next year the outfield will be sodded but in the meantime it seems as if it might be sprinkled immediately before the game, and also during the progress of the play outside the lines. Now they begin to water the ground with a small hose after the game is half over and the spectators covered with dust.

MAILE ILIMA-ELKS.

Maile went to bat and the first man Anthony struck out. Fernandez went out on a fly to left field. White reached first but Kiley went out on a fly to center field.

Moore opened for the Elks with a grounder to short stop who threw in time to first. Knight was hit with the ball but was not allowed to take a base. He finally made first in a grounder. "Sonny" Cunha sent a two bagger to the fence, but Knight was caught at third. C. Cunha out on a grounder.

Maile went out on fly flies and easy groundery in the second, and then the Elks began to score. Kaai received a base on balls, got around to third went out trying to reach home.

Gorman made a base hit and finally circled the diamond and came home. Akau reached third and home. Perline went out trying to cross the plate, and Taylor struck out.

In the third Honan, who pitched for Maile, was the only man to score for his side. He made the first three-bagger of the day and came home on Anthony's fly to right field. The right fielder errored and Anthony finally reached third but went out travelling home.

Knight for the Elks got a base hit. A. Cunha made a safe hit to left fielder who threw home putting out Knight. C. Cunha made the same hit, finally reaching the home plate. Gorman hit safely and reached third on an error by that baseman and then stole home.

At the beginning of the fourth the score stood five to one in the Elks' favor. Neither side scored in this but at the end there was a double play. Knight took a base on balls. A. Cunha sent a grounder to the second baseman who put out Knight then doubled to first catching Cunha.

In the fifth inning Maile did nothing. In the last half C. Cunha reached first on an easy fly which Williams on third missed. He was out on second. Kaai went out on a foul fly which Kiley gathered in and Gorman struck out.

Anderson let drive a hot grounder in the sixth, reaching first. Mana followed with a three base hit bringing in Anderson. Woods flew out to Taylor in right field. Taylor made a fine try, held the ball, but rolled in the dust.

Neither side scored again until the last of the seventh. Knight got a base on balls stole second and reached third but hurt his leg. He managed to run home though on a base hit by C. Cunha, who came in on a base hit by Meyer.

In the eighth C. Cunha made a pretty catch of Akau's foul fly, and White of the Mailles made the prettiest stop of the day. He grabbed at a hot grounder of A. Cunha's, fell on his face but held the ball and threw to first in time. Honan and Woods struck out in the

ninth and Mana out on a grounder, shortstop to first.

H. A. C.—KAMEHAMEHA.

Both teams were cheered as they came onto the field, but the Kams had the sympathy of the majority of the spectators.

H. A. C. went to bat and Reuter began by giving Ensue and Louis bases on balls. Williams started things going with a two bagger bringing in Louis. Ensue stole second. Williams home on Joy's hit. Aylett got to first on the pitcher's error but was out running second. Leslie out on a grounder.

Sheldon started a hot grounder which Gleason stopped but could not get back to first in time to catch him. Lemon struck out, Vanatta went out on a fly to left field and Reuter on a grounder to first.

Gleason started the second with an easy grounder, but Reuter overthrew first. Ensue ran for Gleason, Fernandez sent a fly to the right fielder who daffled with it until Fernandez was safe. Louis made a base hit bringing in Gleason who ran from third as Ensue had to bat, and Fernandez.

Plunkett received a base on balls reached third and was safe home. Gleason made a double play unassisted. He stopped Koki's grounder, put out Lemon, who was running from first for Kekuewa, and caught Koki on first.

No scores were made in the third inning.

Thompson opened the fourth with a grounder which rolled between the first baseman's legs. He reached third, and Louis made a base hit, reached second, and both men came home on Aylett's fly to right field which Lemon missed.

No one scored until the sixth inning and the playing was rather poor especially on the part of Kamehameha. The score was six to one in H. A. C.'s favor and the Kams seemed to play as if all hope was lost and there was no use playing. Reuter pitched poorly and the third baseman and shortstop fell over each other several times in running for the same ball.

In the sixth Aylett of the H. A. C. team made a two bagger, and came home on a base hit by Joy.

In the last half of this inning it looked as if the Kams were going to score, but the other side braced and held them down to one run. Plunkett and D. Kekuewa both hit to left field. Koki made a base hit but went out at second. Richards knocked a grounder to second and Plunkett crossed the plate. D. Kekuewa was out trying to come home, and Lemon was out on a foul fly which Gleason cleverly caught at the side of the fence.

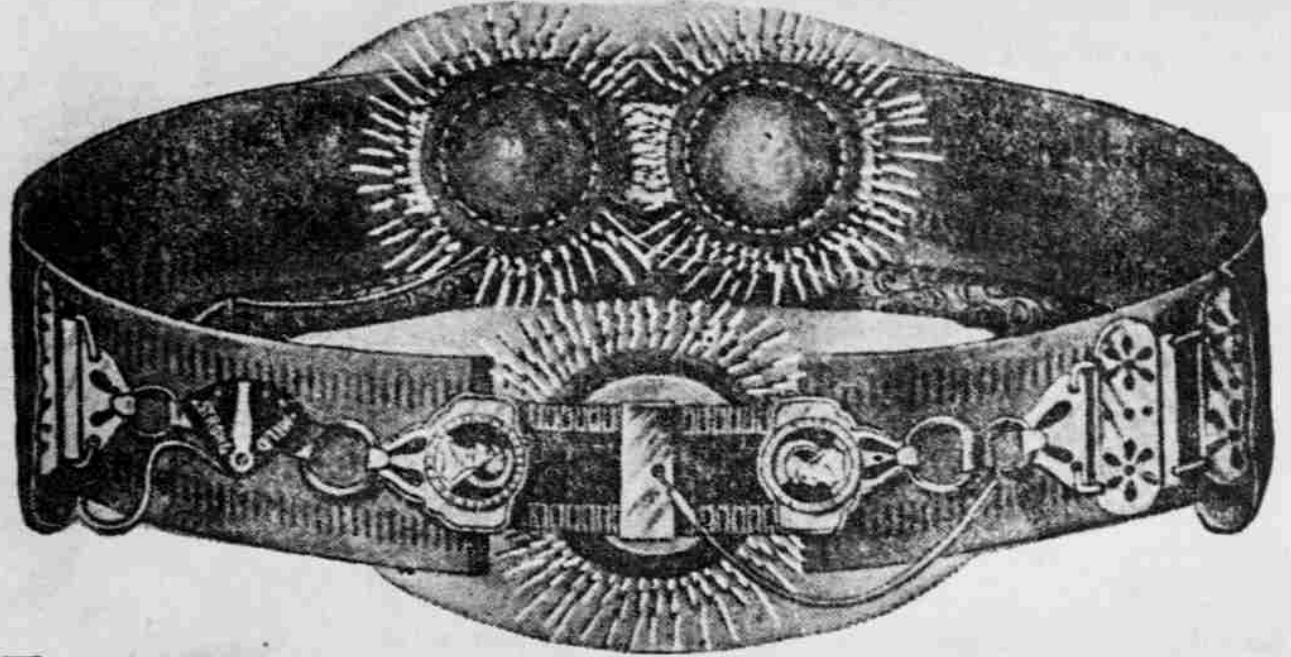

The seventh was productive of nothing and the crowd began to thin out as it looked as if the Kams were beaten. A goose egg was registered for both sides in the eighth and then came the last inning.

Ensue got started on a grounder, got to third on base hits, and came home on Williams's hit. Fernandez was out on a grounder to third, Thompson out on a force out at second, and Louis was out coming home.

J. Kekuewa started in the last half which the spectators thought would be quickly ended. He made a base hit but went out at second. Vanatta was safe on a fly to left field, Reuter hit safely as did Plunkett. The bases were now

Varicocele, Impotency and Waste of Manly Power Are Quickly and Forever Cured by the Grand Product of Nature, Dr. McLaughlin's Electric Belt.

Free Electric Suspensory for Weak Men

This Electric Suspensory carries the current direct to the weak parts and cures all weakness of men, varicocele, etc. It is free. It develops and expands all weak organs and checks unnatural drains. No case of Failing Vigor, Varicocele or Debility can resist the powerful Electric Suspensory. It never fails to cure. It is free with Belts for Weak Men.

No man should be weak; no man should suffer the loss of that vital element which renders life worth living. No man should allow himself to become less a man than nature intended him; no man should suffer for the sins of his youth, when there is here at hand a certain cure for his weakness, a check to his waste of power.

Most of the pains, most of the weakness of stomach, heart, brain and nerves, from which men suffer, are due to an early loss of nature's reserve power through mistakes of youth. You need not suffer for this. You can be restored. The very element which you have lost you can get back, and you may be as happy as any man that lives. My electric Belt, with Special Electrical Suspensory (free), will restore your power. It will check all unnatural drains and give back the old vigor of youth.

W. S. McCulsten, Los Angeles, Cal., writes: "I am more than pleased to be able to tell you that after wearing your belt but one month I was completely cured. There is not the least trace of my old trouble remaining, and it is my opinion that your treatment is the greatest remedy extant. I assure you that it will be a great pleasure for me to recommend the belt whenever I can, for it has saved my health."

This drain upon your power causes Kidney Trouble, Rheumatism and Stomach Ailments. You know it's a loss of vital power and affects every organ of the body. Most of the ailments from which men suffer can be traced to it. I have cured thousands of men who have squandered the savings of years in useless doctoring.

My Belt is easy to use; put it on when you go to bed; you feel the growing heat from it (no sting or burn, as in old-style belts), and you feel the nerves tingle with the new life flowing into them. You get up in the morning feeling like a two-year-old.

G. T. King, Fresno, Cal., writes: "I used your belt for ten weeks and am glad to tell you that it has cured me of lame back, kidney and bladder trouble. I am now sound and well, in perfect health and weigh more than I ever did. My appetite is better than it has been for years. Your belt is all and more than you claim it to be."

An old man of 70 says he feels as strong and young as he did at 25. That shows how it renews the vigor of youth.

It cures Rheumatism, Sciatic Pains, Lumbago, Kidney Trouble. It banishes pain in a night, never to return.

E. B. Miller, Crompton avenue, Los Angeles, Cal., writes: "I have used your high grade belt for two months for lame back, rheumatism and weakened nerves, and am now a well man. I have gained over six pounds in weight, and feel as strong and hearty as I ever did. All my friends acknowledge that I have had a miraculous cure, as I was almost a wreck when I began to use the belt."

What will you? Write and tell me, and no matter where you are I think I can give you the address of some one in your town that I have cured. I've cured thousands, and every man of them is a walking advertisement for my Belt.

Every man who ever used it recommends it, because it is honest. It does great work, and those whom I have cured are the more grateful because the cure cost so little.

Every man who uses my Belt gets the advice and counsel of a physician free. I give you all that any medical man can give you, and a lot that he can't.

Try my Belt. Write me today for my beautifully illustrated book, with cuts showing how my Belt is applied and lots of good reading for men who want to be "The Noblest Work of God"—A MAN. Inclose this ad. and I will send this book, sealed, free.

CAUTION.—Beware of medical concerns offering "Electric Belts Free," and the Professor with his cheap Belt. This offer is only a trick to fob a package of medicines upon you C. O. D. Write to me for an explanation of the trick.

full and D. Kekuewa came to bat with an opportunity to save the team. Before the crowd realized it, he gave the ball a solid whack which sent it flying to the fence, and the crowd rose to their feet with a tremendous howl of delight as Vanatta, Plunkett and Reuter came tearing across the place and Kekuewa fell on the third base. The H. A. C.'s seemed rather dazed and the crowd settled down for some fun. It was now or never for the Kams and they realized it. Koki was safe for a base, and Richards followed with another base hit which brought D. Kekuewa home. Sheldon went out on a fly and the finish was in sight. Lemon was the last hope and he soon had two strikes called against him. The smile of victory was on Joy's countenance, when Lemon caught the ball fairly and it lit in a corner of the fence far from any fielder. Pandemonium broke loose, Koki and Richards only touched the high places coming home, and Lemon landed in a heap on third. There was no restraining the Kam sympathizers as they realized that the score was tied. Richards came up to bat but didn't have a chance to hit. Barney Joy, who was now the only hope of the H. A. C.'s lost his head and in a frantic endeavor to put out Lemon on third he overthrew at least six feet, and Lemon romped over the home plate. The

yelling crowd piled onto the field, the Kamehameha's yelled themselves hoarse and after enjoying the leadership throughout the game, there was nothing left for H. A. C. but defeat. The score was nine to eight.
